Nick, I know you got this also, so let's get a game plan so I can jump on these dates ASAP. How many days, and how many together do we need to do quals and training across platforms. Sometime around May is when we typically try to knock qualifications out before vacation time starts to kick in.

- 1) 5 days in a row, starting or ending in a weekend for aux's, for Dept quals and training?
- 2) 2 or 3 days in a row later in the year for rifle?
- 3) Sprinkle single days through the year for makeups, SRT, etc.

Tell me what to change, add or subtract because when the list goes up, it's FCFS, and they go fast.

Tom

I have attached the 2019 Kendall County Sheriff's Office Range Agreement for you to review and sign. Please send the original signed copy to my attention at 1102 Cornell Lane Yorkville, IL 60560. I would like to have the forms returned to me by November 12th. Upon receipt of your signed copy, our Business/HR Manager Tracy Page will send you an invoice.

I will be sending out an email on Tuesday November 13th accepting dates for 2019. The process will remain the same as the last couple of years. I will give each agency a chance to reserve up 5 dates on a first come first serve basis. I will open reservations again for 5 more dates on the 26th and December 3rd. If you plan on not utilizing the range for 2019 please let me know. I want to thank everyone for making this process go as smooth as it has over the last several years. If you have any questions please let me know.

Respectfully,

*Deputy Robert Weiler KE-165

Subject: Range days

Just a few things before the upcoming range days since it's been a while since most have been back to Kendall County. The address to the road leading in is 6925 Route 71 in Yorkville. If you're more Google Maps inclined, it's 41.664137, -88.387675.

Once through the front gate go over the RR tracks and make a hard left at the next "road" which runs right next to the tracks. Can't miss the range from there.

0900 start and you'll need full gear including your vest. Hearing protection will be provided but please try and bring your own eye-pro. We'll be qualifying right off the bat and shooting what we currently have, dumping the rest into appropriate practice ammunition receptacle.

Nick and Nick, but not the other Nick, will be conducting the quals/training all of our days out there. If you have an off duty, you need to bring it, and your own ammo to shoot the 30 round qualification.

Sgt. Tom Hall #121

Information labeled FOUO should be safeguarded, and withheld from public release until approved for release by the originating agency.

Dissemination of FOUO is restricted to persons with "need-to-know." Need-to-know is defined as the determination made by an authorized holder of information that a prospective recipient requires access to specific information in order to perform or assist in the lawful and authorized governmental function, i.e., access is required for the performance of official duties.

Typical FOUO requirements include:

1. FOUO information will not be disseminated in any manner - orally, visually, or electronically - to unauthorized personnel.
2. The holder of the information will comply with access and dissemination restrictions.
3. Ensure the recipient of FOUO has valid need-to-know, and that precautions are taken to prevent unauthorized individuals from overhearing the conversation, observing the materials, or otherwise obtaining the information.

Guys, you both have to qualify before you can work as an auxiliary, including the 4th. Contact Nick Kozak so he can get you to River Forest and complete it. I know he is taking Guzman and Francie tomorrow, so it may be a good time to contact him to see if you can jump on that qualification bandwagon.

Subject: Plum quals

Guys, you both have to qualify before you can work as an auxiliary, including the 4th. Contact Nick Kozak so he can get you to River Forest and complete it. I know he is taking Guzman and Francie tomorrow, so it may be a good time to contact him to see if you can jump on that qualification bandwagon.

Sgt. Tom Hall #121

Subject: Quals

The Aux qualifications got some extra scrutiny this year after the Alvarez incident. In years past we've cleaned up stragglers after the submission to ILETSB, but not this year. I get it. We should have had this done by now anyway. So let's get the following through ASAP;

Lane and Guzman are going with Nick tomorrow so that'll clear 2 off the list.

Bryant and Frey are on Vacation, we'll get them first thing upon their return

I'm almost positive Pater qualified at an SRT day. Nick D, if you can give a yeah or nay on him please?

Both Plums. I haven't heard from either of these two. I'll send them text messages but I'm not going to chase them down. They don't make the effort to come in, they can go without a firearm.

McClintock is OJI so he's off the list.

Moravec qualified in December, but needs to go for the 2018.

If and when anybody qualifies, please let me and the group know.

Thanks boys,

Sgt. Tom Hall #121

Vanessa Moritz

Subject: Quals

Nick, I looked at the previous list you put out a couple weeks ago and there's really not too many who haven't qualified. They are due to the ILETSB tomorrow, but she told me we can be a day or two late. If you're here for a double tomorrow, let's try and get it to her so it's off of all our plates.

All she needs are the names and dates qualified. Looks like you've already broken that down into training days in separate tabs so hopefully it'll be an easy task.

If there are a few stragglers, no problem, it happens when you don't have unfettered access to a range. Just assign them a date before June 30th and get the names to the rest of the range guys. We'll get them qualified ASAP and turn over their ammo.

Thanks,

Tom

Information labeled FOUO should be safeguarded, and withheld from public release until approved for release by the originating agency.

Dissemination of FOUO is restricted to persons with "need-to-know." Need-to-know is defined as the determination made by an authorized holder of information that a prospective recipient requires access to specific information in order to perform or assist in the lawful and authorized governmental function, i.e., access is required for the performance of official duties.

Typical FOUO requirements include:

1. FOUO information will not be disseminated in any manner - orally, visually, or electronically - to unauthorized personnel.
2. The holder of the information will comply with access and dissemination restrictions.
3. Ensure the recipient of FOUO has valid need-to-know, and that precautions are taken to prevent unauthorized individuals from overhearing the conversation, observing the materials, or otherwise obtaining the information.

Guys, has the spreadsheet for training and quals, which I love by the way, been updated to reflect the SRT day? We need to start pushing the rest of the list to get over to RF.

Thanks boys...

Tom

ALCON,

Lane, Guzman, and Plum J. met me today at River Forest PD to qualify. All three passed the minimum standard of the ILETSB Pistol Qualification. They did not receive any of the training we did at the range in April. All 3 were issued new duty ammunition.

Regards
